

NAME: MAHEEN AHMED

SEM/SEC: BSCS – 6TH 'C'

ROLL NO: 23122180

COURSE: ARTIFICIAL INTELLIGENCE (AI)

PROF: MAM UZMA

Agent Title:

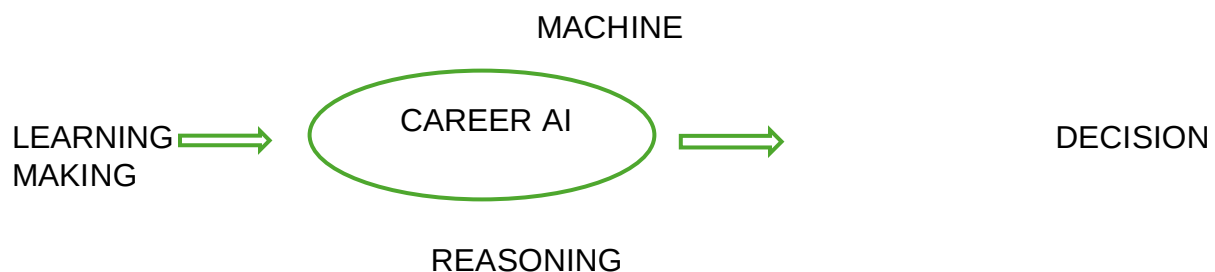

Career AI

Agent Formulation:

PROBLEM:

Students are often confused while choosing a career path for themselves.

SOLUTION (GRAPHICAL REPRESENTATION):

SOLUTION (TEXTURE):

First your AI will learn from past experiences of other student's different career paths and job available opportunities.

Then it will reason according to your provided information and interest with the learning AI received.

Then it will recommend a suitable career path for you.

PEAS Evaluation:
